

**REMARKS**

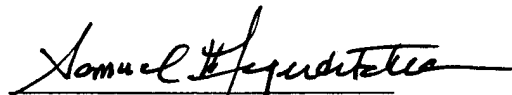

Upon review of this application at allowance, certain inadvertent typographical errors were noticed. More specifically, it was noticed that the terms "moiety," "aryloxyaryl," "naphthyl" and "diarylaminioaryl" were misspelled; that "≥" was missing from claim 7; that claims 16 and 22 should refer to claim 1; and that "and/or a film according to claim 16" was inadvertently omitted from claim 28.

This Amendment merely amends claims 1-5, 7, 16, 19, 22 and 28 correct these inadvertent typographical errors. Support is found throughout the specification. Thus, no new matter is added and this Amendment raises no new issues requiring any further search or examination.

Thus, it is respectfully requested that this Amendment be considered and entered. The undersigned looks forward to hearing favorably from the Examiner at an early date.

Respectfully submitted,  
FROMMER LAWRENCE & HAUG LLP
